🎯 About me

A passionate and self-driven MCA student at Banaras Hindu University (3rd Semester), with a strong foundation in mathematics and technology. Actively seeking for an Internship to leverage my programming skills, academic knowledge, and enthusiasm for solving real-world challenges using modern tools. Adept at communication, leadership, and handling work pressure effectively.

🎓 Education Background

Banaras Hindu University (Main Campus), Varanasi

St. Columba's College, Vinoba Bhave University ,Hazaribagh
Bachelor of Science in Mathematics (2020-2023) CGPA-7.93

🛠 Projects

Clone of Spotify Music Player:- **https://programmerbhuabhi.github.io/Clone-of-Spotify/**
Simon Says Game:- **https://programmerbhuabhi.github.io/Simon-say-game---let-have-a-try/**

🎲 Key Coursework & Certifications

• Deep Learning – Covered ANN,CNN,RNN concepts
• Database Management Systems (DBMS) – Relational models, normalization, SQL
• Data Structure & Algorithm – Linear and Non-Linear DS
• Artificial Intelligence (AI) – Search algorithms, expert systems, logic-based models
• Image Processing – Transformations, enhancement, segmentation
• Cloud Computing – IaaS, PaaS, SaaS models, virtualization, cloud architecture
• Seminar Attended – Advanced Network Technologies and Intelligent Computing, BHU

💻 Technical Skills

Programming Languages:
• C
• Python
• Java
• JavaScript
Web Technologies:
• HTML, CSS
• Front-End Development Fundamentals
Frameworks & Tools:
• Git & GitHub
Database & Tools:
• MySQL
Soft Skills:
• Real-World Problem Solving
• Effective Communication
• Leadership & Team Management
• High Patience & Stress Handling
• Fast & Adaptive Learner

🏆 Achievements & Extracurricular Activities

Indian Air Force (Technical Group X)
• Cleared Written, PFT, SRT and GD in 1_{st} attempt
The Bharat Scout and Guide
• Participated in district-level scout & guide rally (2016)
• Led school team to 3rd rank in Bokaro District Rally among 30+ teams
Quiz Competition – Bokaro District Association
• 1st Position (5th Standard) in District-level Quiz

🔍 Internship Interest

Seeking opportunities in:
• Front-End Web Development
• Software Development (Intern)
• Technology & Innovation Roles
